**WILLIAM ALSUP
UNITED STATES DISTRICT JUDGE**

Aug. 15, 2010

Dear Honorable Judge William Alsup,

To begin Thankyou for your attention and understanding. I understand that you are aware of my health conditions and I appreciate your concern and assistance, however my situation is getting worse because I am not receiving proper medical attention. I'm being told by the nurse's here at Santa Rita County Jail that they will only discuss one issue at a time, which is a hardship because the medicine's they are giving me are conflicting with one another and my blood pressure continues to rise as a result. When you granted me the privledge to be out to meet my medical needs, By the time I completed some of my appointment's, and also setting additional required appointments, as well as finally obtaining the specialist that I need, it was time for me to turn myself back in.

Your Honor I'm writting because The designation period that I will sit here in Santa Rita county jail (only to go across the street, literally to FCI-Dublin) will take a minimum of 2-3 months. Sir, I've made significant progress with your help for

my medical concern's .. But only to sit here and miss appointment's and evaluations that are necessary for me prior to surgery. My release date is Sept. 9, 2011 which is 13 months and 4 months of that being served in a halfway house. I did everything I could in that time frame that you allowed me to get appointment's at Highland Hospital for diagnosis, MRI's, Sonogram's on my throat and stomach, Bowel specimen, blood work, biopsy on my thyroid and hypertension, I was also finally able to get a primary care doctor, my medicare established, as well as social security assistance. However now that I'm sitting here in these unhealthy conditions at Santa Rita it's impossible for me to accomplish the entire reason you allowed me to be out. The longer I sit here my medical need's are not being met and my health condition's continue to decline. Plus if I continue to miss appointment's that I was fortunate enough to acquire, I'll have to start the process all over again. Your honor please grant me the opportunity to get my medical ailments in order. I'm asking in faith that you will consider

overturning my sentence conditions to be placed at the Cornell halfway house located at 111 Taylor St in San Francisco, CA for the remainder of my sentence or for the allotted time it will take to undergo my surgeon's and recovery period.

THANK YOU,

Virginia Roberts
